7. Pursuant to Section 6766 of the California Code of Regulations emergency medical care shall be planned for in advance for employees who enter treated fields. Employees or their supervisor shall be informed of the name and location of a physician or medical facility where emergency medical care is available and procedures to obtain care. If a pesticide related illness, or an exposure, which may lead to an illness, occurs, the employer shall ensure the employee is taken to a physician immediately.

8. Pursuant to Section 6768 of the California Code of Regulations decontamination facilities shall be accessible to all fieldworkers engaged in activities involving contact with treated surfaces in treated fields. (See attached handout "Inspection Requirements for Fieldworkers.")

9. Pursuant to Section 6770 and 6771 of the California Code of Regulations, an employer shall not allow or direct any employee to enter or remain in a treated field before the restricted entry interval stated on pesticide product labeling except under certain specified conditions. (See attached handout "Field Reentry After Pesticide Application.")

10. "Treated field" is defined as a field, road, path, ditch, border, or headland that has been treated with a pesticide or had a restricted entry interval in effect within the last 30 days.

Your signature below acknowledges that you have reviewed and understand the aforementioned requirements. A civil penalty of not more than one thousand dollars (\$1,000) for each violation may be levied against a person for violating Section 1695 of the Labor Code; Division 7, Chapter 2 Article 10.5 of the California Food and Agricultural Code pertaining to Pesticides and Worker Safety; or Title 3, Division 6, Chapter 3, Subchapter 2, Article 1, or Subchapter 3, Article 3, of the California Code of Regulations pertaining to Field Worker Safety as summarized above.
